* data is not equitably comparable to analogue tables of previous years, because starting from the year 2011, the tables include performance results of insurers only on the territory of the Republic of Latvia

** *data of Financial and Capital Market Commission on 8 non-life insurance companies registered in Latvia and on 2 branches of foreign non-life insurers, and data of the research centre SKDS on 8 life insurance companies (3 companies registered in Latvia and 5 branches of foreign insurers)
